

To this end, the Examiner is respectfully requested to kindly enter the following new claims as indicated below and to reconsider same for allowance.

AMENDMENT

AMENDMENTS TO THE CLAIMS

Claim 26. (New) A dynamic continuous, semi-continuous or static quality control system for commercial food processing comprising a conveyor means for transport of product or object to be measured to more than one or a plurality of detection regions to detect information selected from height, length, width, dimensional spatial or topological characteristics, density, moisture content, weight and temperature while conveyed products are in motion or static or a combination thereof on said conveying means.

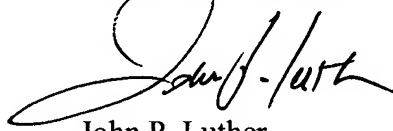

Claim 27 (New) The system of any of claims 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12 wherein said system is a quality control system for commercial food processing.

Claim 28 (New) The apparatus of any of claims 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, and 24 wherein said system is a quality control system for commercial food processing.

Entry and reconsideration for an early allowance of the above newly added claims is respectfully requested.

A check in the amount of \$500 is enclosed herewith to cover the new claims fees.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John P. Luther", with a large, stylized initial "J" and a long horizontal stroke extending to the right.
